Dear Friends of Legacy Christian School,

Your participation in our auction sends many messages. Placing this auction as the priority on your calendar tells your children and friends that Legacy Christian School holds a special place in your heart. Enjoying an event together will tell people around you that you value their fellowship and hold Legacy Christian School in common. Bidding, quietly, or furiously, beyond the value of an item says, "what God has entrusted to me is being designated for a ministry I love."

Writing that check at the end is a bold statement about how the investment in the formative years of a child outweighs the purchase of things that could be bought anywhere. Enjoying what you have purchased throughout the year is a reminder that Legacy Christian School makes a lasting impression on thousands of people every day.

As you come together to enjoy a night of food, fellowship, and support of this great school remember that all proceeds go towards both tuition assistance and other needs of the school like busses, roofs, and educational equipment. The portion of funds raised at this annual event for tuition assistance help many families who want to see their children gain excellence in their academic and spiritual lives but are unable to pay the full cost of their children's education. Not only are these families helped but also the school as a whole by creating more growth opportunities.

No other ministry weaves a Christian perspective into the fabric of our communities and churches like Legacy Christian School. Christian education uniquely prepares them to take on the spiritual leadership opportunities for which God has created them. Your participation at this event reaffirms our collective commitment and empowers us to help realize God's vision for each student.

In Christ,

Legacy Christian School Board
