WITH YOUR GENEROSITY,

we can lay the foundation for future generations of Legacy Christian School students to become Christ-Followers and Kingdom-Builders!

Strategic investments from the *Building a Legacy* Capital Campaign will support Legacy's mission in several meaningful ways:

1. *Improve ADA Accessibility, welcoming all students, staff, and visitors as God's image bearers.*
2. *Create classroom spaces where learning will flourish and teachers can accommodate changing instructional demands.*
3. *Add value through thoughtful, well-designed projects that reflect God's creativity and steward our buildings for future years.*
